Hmm, after my comments last month, I'm not mentioning the weather again other than to say let's hope summer changes its mind and visits soon!

Community Matters: The Awards season is now open! It may not be The Oscars but...

Suffolk Community Awards -

Nominations now open! The Suffolk Community Awards 2024 will recognise and celebrate all those who have improved the quality of life for a community in Suffolk. It is a partnership approach, delivered by Community Action Suffolk, Suffolk County Council, and Suffolk Association of Local Councils. This year's awards are bigger than ever with 17 awards now up for grabs.

Categories range from youth participation and young person of the year to community buildings, contribution to volunteering, most active communities and council, councillor, young councillor and clerk of the year. East Suffolk Council has launched this year's **The Quality of Place Awards**. Organised since 2010, the awards aim to recognise and encourage an interest in the quality of the built and natural environment of our area. Each year, nominations are invited for projects in six categories: Design New Build, Design Extensions and Alterations, Building Conservation, Community, Landscape and Nature/Ecology. The nominations are now open and you have until **Friday July 26th 2024** to submit a nomination. Interested? Click here to nominate: [East Suffolk Council's Quality of Place Awards 2024](#)

Village Green Spaces: In last month's newsletter, the Parish Council asked for ideas about ways to improve the Cemetery, with one idea being to devote a small area to wildflower planting. If you'd like to contribute to this discussion or have any thoughts and ideas about how we can improve this area, please get in touch with the Parish Clerk.
