

July 2024

AT time of writing, the sun is out, the swifts are squealing as they whoosh overhead and the weekend forecast is warm. Perhaps Summer is here. ☀️

Village Matters

Parish Council Business –

In May the Parish Council said goodbye and thank you to Cllr. Jason Vincent and this month, it welcomed the return of Cllr. John Walford, its newest co-opted member.

Community Matters -

Below are links to online reporting tools to enable you to report issues to Suffolk County Council.

Suffolk has over 3,500 miles of public rights of way and 12,000 acres of open access. If you notice an issue with a right of way, report it here:

Have you noticed problems with a blocked drain? Cycle lane? Debris, weeds or mud on the road? Grass cutting? Missing or faded road markings? Signs or bollards? Street light? Pothole? Pavement? Tree or hedge affecting the road? Follow the link below to report any issue related to highways to Suffolk County Council:

Voluntary Matters -

The next days for the village's work party have been organised. In August, the Boules Pitch will be refreshed and the marquees erected and checked. If you're able to give some time, please just turn up at the Village Hall on any of the following two dates and meet with members of the Council:

10am August 3rd & 4th: Meet Cllrs. Thompson & Walford

Village Green Spaces: In previous newsletters, the Parish Council asked for ideas about ways to improve the Cemetery, with one idea being to devote a small area to wildflower planting. So far, a couple of folk have shared their thoughts but before the Council finalises its plans, please get in touch. It's a quiet and beautiful place and Council wishes to ensure it remains a welcoming space for quiet reflection. If you'd like to contribute to this discussion or have any thoughts and ideas about how we can improve the area, please get in touch with the Parish Clerk.
