

7 March 2025

Compound Establishment

Dear Resident,

I am writing to you to inform you that we are establishing a compound in the field adjacent to Town Farm Lane the week commencing 17 March 2025.

The compound will consist of cabins for welfare, storage of plant and machinery for our archaeology works in the area for the Sizewell Link Road, with a perimeter fence erected. Traffic Management will be in place to facilitate the delivery of plant and machinery and movement between the compound and working area.

Once the archaeology works have been completed construction of the road will then commence.

We have planned these works to avoid disruption as much as possible, but we are aware that there may be some disruption and inconvenience for people. We apologise for any inconvenience caused. For the latest updates on these projects, you can check the project notes on the Sizewell C Works Tracker here: www.szeworkstracker.co.uk.

If you have any questions or would like any further information regarding Sizewell C's works, please do not hesitate to contact us; We are available in person at the Information Office (address above) Monday – Friday 9:30am-5pm, via the 24 hour helpline on 0800 197 6102 or email us at info@sizewellc.com. You are also welcome to meet with the project team at the community forum meetings which are advertised on sizewellc.com. We share monthly updates on our work with town and parish councils too.

Yours sincerely,

Paul Lennon
Senior Community Relations Manager
